Dear Parents

We are pleased to let you know that we are in the process of organising some very exciting educational visits and workshops for the children in years 1 & 2 to for this academic year.

Autumn Term: History off the Page sea-side workshop.

On Wednesday 9th September 2026, years 1 & 2 will take part in an immersive workshop where they will re-create and experience aspects of old-fashioned seaside holidays.

Due to our school hall remaining out of use, the workshop will take place at Knowll Hill CE Academy and the children will need to be dropped off at Knowl Hill School at 8:45am and collected from there at 3:00pm.

Knowl Hill school hall will be transformed for the workshop into a seaside pier with traditional stalls and activities. The children will 'board the seaside train' and arrive to take turns at becoming stall holders and customers. They will experience games such as Roll-a-Penny and will enjoy a Punch and Judy show.

The children can come for the day dressed ready for a 'day at the seaside' by wearing shorts, t-shirts, sun hats and could even bring a bucket and spade (no swimming costumes, please).

The **cost** of this fantastic workshop is **£16** per pupil. Payments can be made via the Arbor payment system and are available now. Please ensure that the balance is paid in full by **Friday 4th September 2026**.

The following visits are also being planned for the spring and summer terms and details will be shared once finalised.

Spring Term: Windsor Castle

On **Monday 15 March 2027**, years 1 & 2 will be visiting Windsor Castle. During the Visit, the children will have the opportunity to visit different parts of the castle and will take part in an 'Explore and Draw' workshop. This workshop will include a guided walk of the castle's open spaces and is an exciting way for the children to discover why the castle was built in Windsor and why the site was so important. They will create their own images of the famous landmark.

Summer Term: Beale Wildlife Park

On Wednesday 9th June 2027, years 1 & 2 will be visiting Beale Wildlife Park. They will have the opportunity to explore the stunning grounds and visit the array of wildlife there. The children will take part in an 'Amazing Africa' workshop, linked to their geography topic of Madagascar. During the workshop they will see and hear about animals that are native to Africa and how they suit their habitats. They will also learn about seasons in the UK compared to Africa.

If you have any questions, please do not hesitate to contact the school office.

Yours sincerely

Emma Brookman
